

Moving on up!

Stradia celebrates its success with a move to larger premises

January 2010

Stradia leaped into the New Year with a move to new premises, after another successful year for the company. The move came as Stradia celebrated its third year of operations with plans for continued expansion.

Stradia relocated from premises in Brightside to lease a 2,300 sq ft office suite at Sheffield Business Park, which is ideally located within easy access of the motorway network and Sheffield City Centre.

The new office will enable Stradia to grow the business. Nigel Barr, Managing Director, said, "We look forward to starting the New Year in our new premises. The move underlines the efforts of our hard working team and commitment to our clients. We are really pleased with our achievements and the move will help us to continue our success."

The new office space is much larger and has the added benefit of onsite training facilities and a café and restaurant. Sharron Taylor, Director, added, "The new office provides a much more pleasant working environment and we are really looking forward to welcoming our clients."

Stradia's new address is 1 Europa View, Sheffield Business Park, Sheffield, S9 1XH.
